Introduction

Based on the PEFC Standard, PEFC Trademarks Rules – Requirements (most recent version), NGB's that are participating in the PEFC Balkan System are adopting this document as detailed procedures for issuing license for usage of PEFC trademarks.

1. Scope

This document sets out the rules for the issuance of PEFC trademarks usage licences , hereafter "licences", by CUPFOA, to ensure legally compliant use of the PEFC Trademarks in accordance with the PEFC ST 2001, PEFC Trademarks Rules – Requirements (most recent version).

In the process of building the PEFC BFCS, three PEFC National Governance Bodies (NGB's) were participating and accepted the PEFC Balkan Forest Certification System. In case a new member is joining to PEFC BFCS, this document shall not be revised, if they decide to accept the principles of the PEFC BFCS, and to adopt the scheme documentation outside of the FM standard.

The PEFC BFCS is facilitating the efforts of new countries willing to join the Balkan FC System and to support the PEFC global efforts for sustainable forest management.

CUPFOA is authorised by the PEFC Council to issue licenses to entities located in Croatia and sites in other countries, participating in a multi-site Chain of Custody certification with the central office being in Croatia.
